Bits 'n' Pieces

- Our December comp has attracted a large number of entries, 70 horses to be exact! If you are riding good luck! We look forward to seeing you there. The HER Number is 9347. Please don't forget your Record of attendance form, there will be a folder for you to deposit it near the main entrance to the ring.
- The showground will be very busy with two other events on the same day. Parking space will be limited to the areas beyond the stables as you first come in. With so many entries we kindly ask that you take up as little space as possible when parking yourselves or we wont all fit in! Thanks!
- It was mentioned in the last newsletter that Helen Zimics husband ,Richard, was unwell and we must unfortunately let all know that he has passed away since. A lovely memorial was held in Taree on 22nd November and it was good to see a

contingent of club members attend to offer thoughts and support to Helen and family. Richard was an amazing man that very few of us got to really know as he was a quiet, homey type but incredibly intelligent and talented in many ways. Our thoughts continue to be with Helen through this challenge that she will no doubt handle with her usual strength.

- We have had a good response so far to the presentation night/Christmas party and it should be a fun evening. Please if you are thinking you might come, let Linda Pike know asap so we can organise. Especially important if bringing children so we can make sure we have a gift for them all. The lucky door prizes will be lovely with four up for grabs, 2 for ladies, 2 for men. We would love to see you all there!
- Australia Day comp entry included as well as booking form for Hazels freestyle clinic.
- Membership forms and waiver also in this newsletter. Where did that year go?? Please remember to send these off to Coralie when you get a chance. Don't miss the membership "early bird special". We love having you all as members, the club would not be so successful without you and we look forward to a big year next year. We have booked a date at the showground nearly every month so we will be having heaps on for our members next year.

The Committee sends you their wishes for a
great Christmas and a fantastic 2009!
